The Standard Confirmation of Coverage form is designed for use by facilities that have insurance meeting the required levels of coverage, limits and deductibles. Warehouse facilities require environmental coverage for a minimum of either (a) \$2 million for on site coverage and a separate \$2 million for off-site coverage, or (b) \$2 million for on site and off site coverage inclusively and combined.

This form must be completed fully and signed by an authorized insurance representative.

A separate form must be completed for each location for which insurance is required. In instances where the AWSA member operates two or more locations that are insured under the same insurance policy, the minimum limit of \$2 million must be certified with respect to each location, but an annual policy aggregate applicable to all locations is permissible. The aggregate limits must be in compliance with the following schedule:

1. One location	Minimum limits:	\$2 million per occurrence, \$2 million in the policy aggregate
2. Two locations	Minimum limits:	\$2 million per occurrence \$4 million in the policy aggregate
3. Three locations (or more)	Minimum limits	\$2 million per occurrence \$5 million in the policy aggregate
