Policy Statement
Warehouse Change in Ownership
September 1998

If a certified site changes ownership:

- Site operator is to notify AWSA of ownership change upon closing of purchase agreement. Site operator is to forward confirmation of insurance coverage as outlined in Protocol 1-1. (See also bulletin #16)
- Upon receipt of ownership change notification, AWSA will forward an “Application to Audit” form to be signed and returned within 30 days of transfer to new ownership.
- The site be re-audited within 90 days of transfer to new ownership, regardless of the date of the last audit. The new audit date would set the audit frequency thereafter.
